Red Barn Doodles & More does hereby certify that to the best of their knowledge, Puppy sold is in good health, free of genetic defects and all known faults have been declared to buyer. Puppy leaves with worming and vaccinations up to date, per his/her age. Shot/Health records will be provided.

Upon Buyers receipt, puppy should be taken to a vet within 7 business days for a health check. If Buyer neglects to get the health check done within the seven business days, this said contract/warranty is null and void.

Should Buyer's Veterinarian find this puppy to have a life-threatening illness or disease (excluding parasites, coccidia, giardia, luxated patella, hernia, kennel cough or an easily treated illness, many of which can be brought on by the stress of being transported/rehomed) within those seven business days, the Buyer will have 7 days to return the puppy at his/her own expense to the Seller, along with Vet record of life threatening illness or disease and any/all registration papers, etc, that were given with the puppy, provided the puppy is in the same condition mentally and physically as when originally purchased from the Seller. A full refund (excluding shipping) of the price of the puppy will be given, unless buyer chooses to wait for a replacement puppy from an upcoming litter. The Seller will always have the option of having the diagnosis confirmed by a Veterinarian of their choice before a refund is issued.

There is no guarantee against accidents. There is no guarantee against sickness not contracted on the breeder's premises.
Please take caution as to where you take your new puppy until

the entire series of puppy vaccinations has been given and puppy is at least 17 weeks old. Seller assumes no responsibility for Buyer's veterinarian bills due to accident or sickness.

If for any reason in the future, the Buyer is unable to keep said puppy/dog, the Seller/breeder will be notified by the Buyer and Seller may assist in finding a new home for the puppy/dog or the puppy/dog may be returned to the Seller.

Buyer agrees that this puppy/dog will become a beloved member of the family to assure proper development and maintenance of the temperament for which this puppy was bred. The buyer also agrees that this puppy/dog is not to be neglected or abused, left in a confined backyard kennel or tied up all day. In the first 12 months, puppy is guaranteed to the original purchaser against debilitating or life-threatening hereditary/congenital diseases until he/she reaches 12 months of age. Not included in this warranty are health issues that may be caused by environmental factors such as allergies, autoimmune disorders, trauma, abuse and failure to maintain the general health of the dog. After these qualifications are met, the Seller will at the Seller's sole discretion, provide a replacement puppy of equal value from the next available litter, or refund half the purchase price of the puppy (this excludes shipping costs). Seller will never ask you to return your beloved puppy in order for this warranty to be fulfilled. If at Buyer's wishes, Breeder will accept the return of the puppy if the puppy has not been exposed to infectious diseases of any kind.
